Follow

Red Rock Resources Plc is a mineral exploration company focused on the discovery and development of gold, uranium and other minerals. The Company through its sale of assets to Jupiter Mines Ltd on the ASX, of which it remains a significant shareholder, is also committed to the pursuit through Jupiter of an active 'steel feed' strategy for consolidating large scale interests in iron ore, manganese, and prospectively coal.

Red Rock in pursuit of its goals follows varying strategies, operating through exploration for, and exploiting of, mineral deposits; through the acquisition and disposal of interests in actual or potential mineral deposits or companies holding them in exchange for cash, securities, or royalty and other deferred interests; through buy-in agreements and joint ventures with such companies; and through public offerings of securities in subsidiary or associate companies. Red Rock Resources (AIM: RRR) listed on London's AIM market in July 2005.

The principal operational focus of the Company in 2010 is its gold assets in Kenya and gold investment in Colombia.
